

## Access to Infrastructure: Be careful what you wish for?

Dear colleague,

Please join us and a select number of leading industry individuals to discuss the future of Third Party Access to Infrastructure in the UKCS.

Following the recent coming into force of the Energy Act 2011 it is perhaps timely to examine fundamental questions as to whether the current revamped Determination regime and ICOP can deliver an effective and expeditious path for new tie-back developments.

"Chatham House rules" shall apply to this facilitated, but open, discussion which is organised by Bond Pearce in conjunction with The Energy Contract Company.

### Speakers

- **Robert White**, Infrastructure Manager, Department for Energy and Climate Change
- **Nick Pogson**, Director of Commercial Operations, Endeavour Energy UK Ltd
- **Kenny Paton**, Partner, Bond Pearce LLP
- **David McGough**, Director, The Energy Contract Company

### Where?

Bond Pearce LLP, 8th Floor, New London House, 6 London St, London, EC3R 7LP ([directions](#))

### Timings

17:30 - Registration and tea/coffee  
18.00 - Discussion  
19:30 - Drinks and canapés

The discussions shall be co-facilitated by Kenny and David who have worked together on various relevant projects. Due to its interactive nature places at this event are **strictly limited** and we encourage you to register your place as early as possible. There is no charge to attend the event.
